# Foreword

This very excellent herd of Scotch Shorthorns is being reduced to ten females and the bull. All else sell. The entire herd is made up of very useful, smooth, top-quality Shorthorns that anyone would be pleased to own. Those selling, you will note, include two excellent daughters of KILLEARN ROYAL JAMES; two daughters of JASPER'S PRIDE; a Remitall show cow by MARDEN CONSORT (imp.) with calf at foot; and the younger females by the good breeding BRAESIDE NORSEMAN 10th—a son of KILLEARN NORSEMAN 113th. We have shown below his full pedigree, together with that of NORSEMAN 10th. The three yearling bulls are the tops of the 1957 calf crop that were being developed for the 1959 Bull Sales—none are being retained—they are herd bull prospects. One of the January bull calves was made Junior and Reserve Grand Champion at Yorkton Summer Fair and one of the other bull calves beat him at a local fair . . . both are prospective breeder's bulls.

Jasper's Pride 3rd

This herd produced JASPER'S PRIDE (pictured on back panel), the \$1,500 high selling bull at the 1951 Regina bull sale, going to the herd of James Cooper and Sons, West Bend; it produced JASPER'S PRIDE 3rd (pictured), Grand Champion at the 1955 Saskatoon Interprovincial Bull Sale, selling to J. W. and G. E. Hume, Carlyle, for \$1,000; it brought our RED MAX B, Grand Champion at the 1955 Regina Bull Sale, going to the herd of Philip Bender,

Neudorf. This year they had the Reserve Senior Champion at the Calgary International Show, Reserve Grand Champion at Saskatoon and Regina, 1st place Breeder's Herd and 1st place Pair of Bulls at Yorkton, and both Junior Champion and Reserve Grand Bull and Female at Yorkton.

For quality Shorthorns that have been, and still are, at the top of the classes arrange to be with us at this sale. We guarantee you will like the kind of cattle that Mr. Riddall is offering for sale.
